

PROJECT HIGHLIGHT

AI-powered sports highlights for the social media era

THE PROBLEM

Best moments never captured.

In the Individual Era, every athlete is a brand.
But you can't play and film at the same time.

No filmmaker

Can't play and record

Friends miss it

Bad angles, constant misses

Pro crews

\$500–2,000 per session

Zero for pickleball

Fastest-growing sport, no solutions

THE SOLUTION

You play. AI records. One tap to share.

Camera Rig

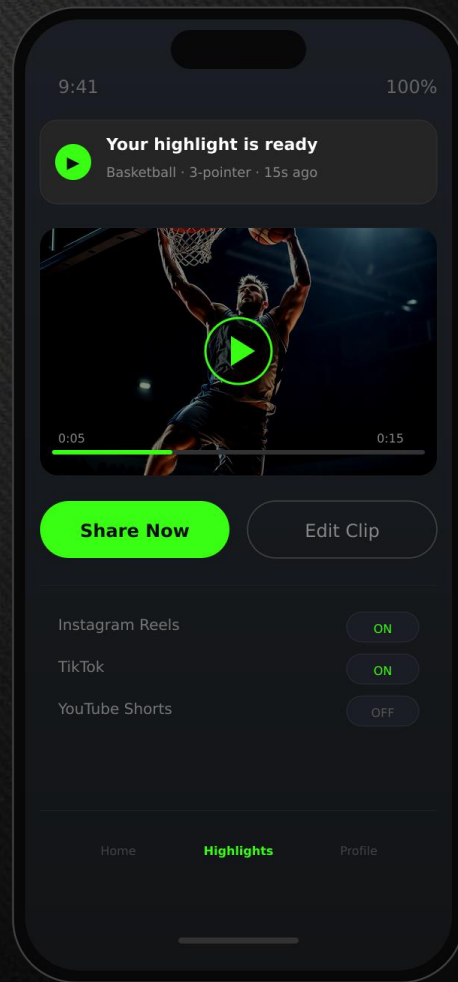

Multi-angle · Auto-tracking

NAS Storage

RAID · 7-day cycle · Permanent

M4 Mac Mini

38 TOPS · Zero cloud · Privacy-first

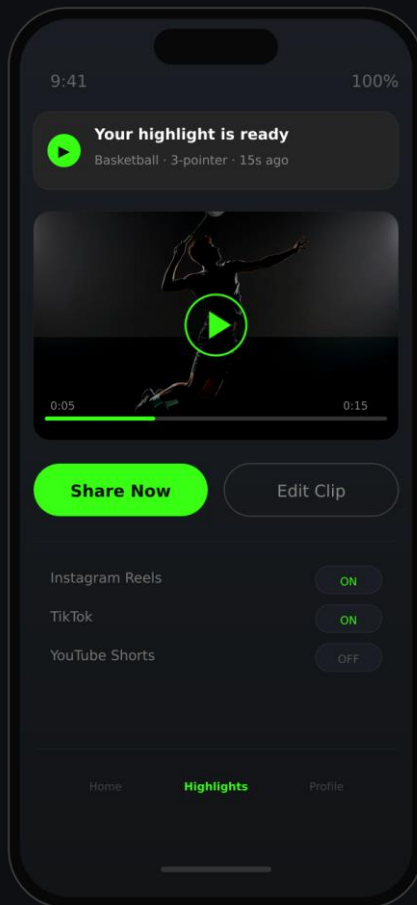

HOW IT WORKS

01 PLAY

Multi-camera records
your entire session

02 DETECT

M4 Neural Engine
identifies highlights

03 PREVIEW

Push notification:
"Your highlight is ready"

04 SHARE

One-click publish to
IG · TikTok · YouTube

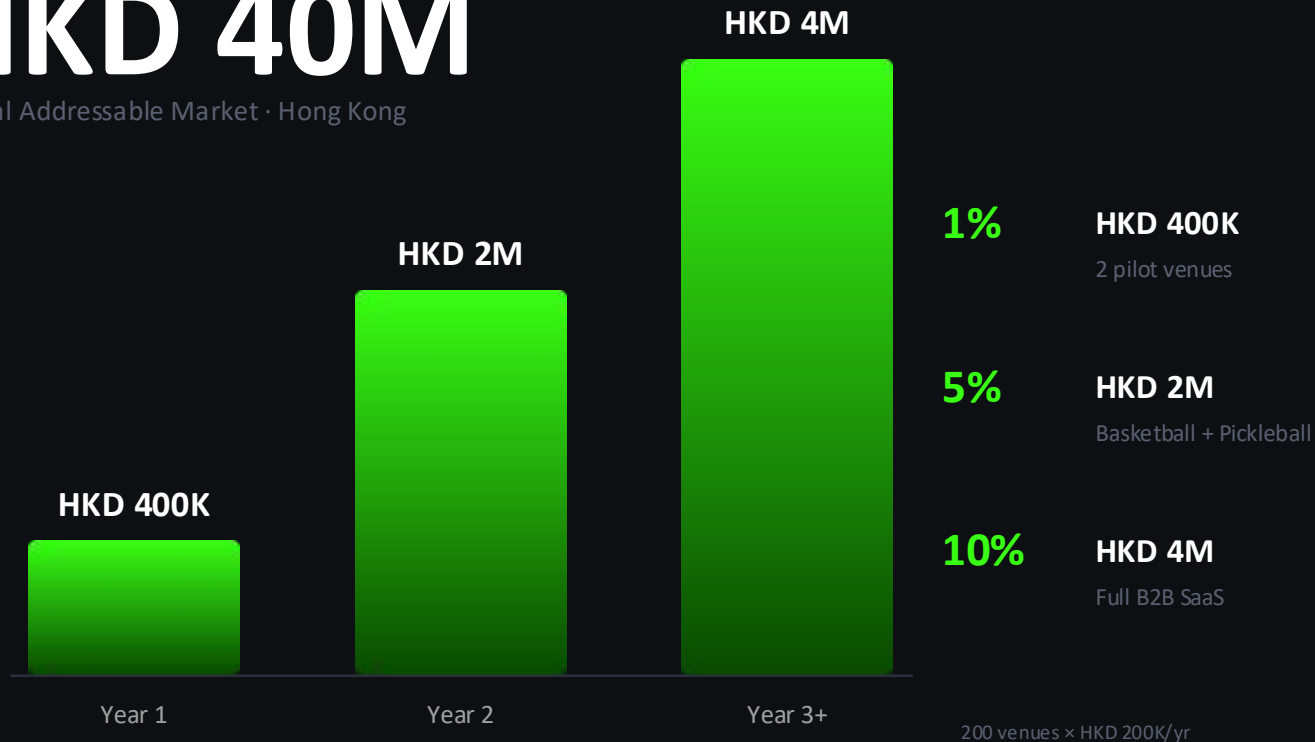

End-to-end: **< 15 min**

Zero cloud · Local AI · Privacy-first

MARKET

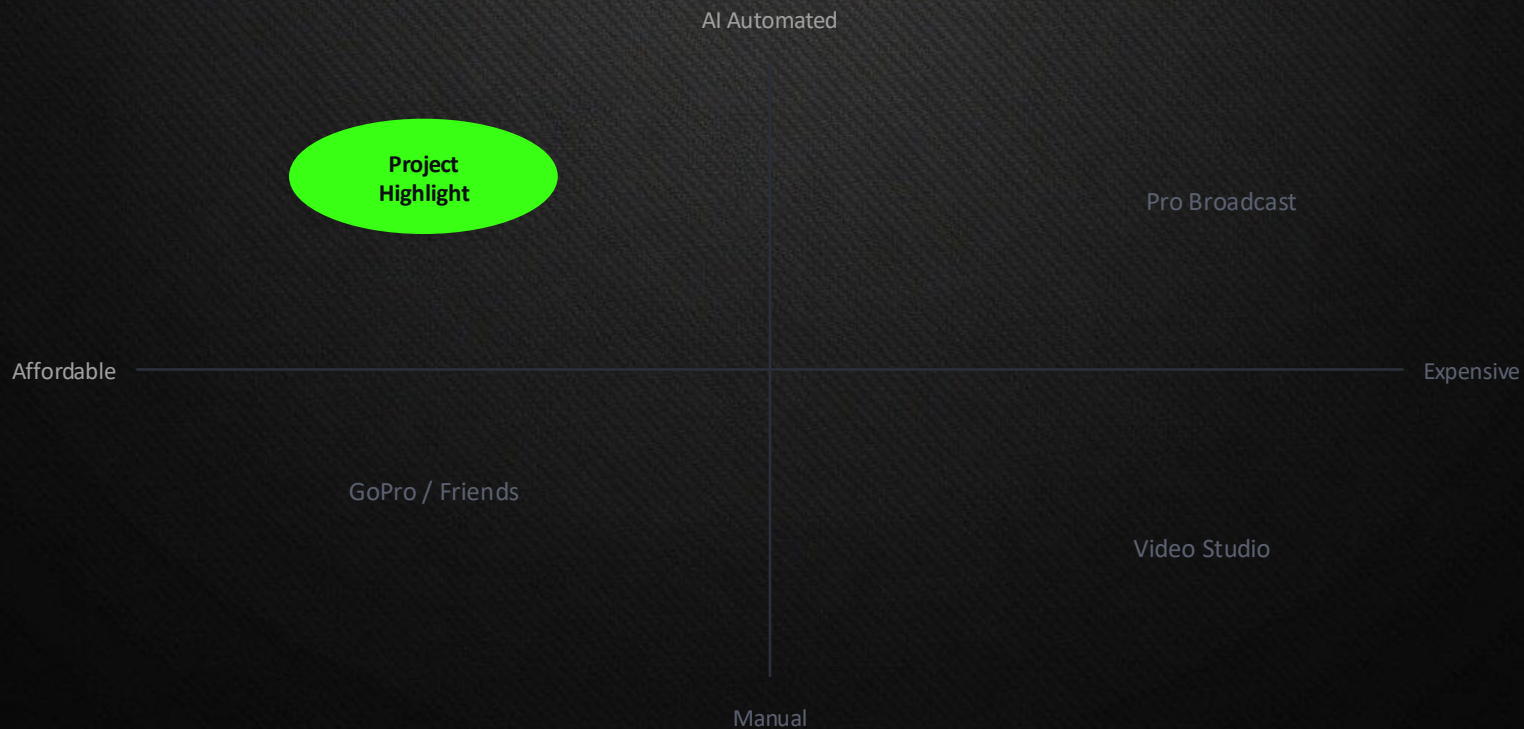

HKD 40M

Total Addressable Market · Hong Kong

Sources: LCSD Annual Report 2023/24 · HK Pickleball Association · SCMP · Q1 2026 private venue survey

POSITIONING

Only player: affordable + fully automated

W H Y N O W

>25%

Annual growth in social sports content

3–5x

Engagement: personal vs brand

>70%

Gen Z consume sports via social

2x

Highlight views vs standard
